Objective

Ambitious Junior Web Developer with a strong foundation in Next.js, React.js, JavaScript, GraphQL, HTML, CSS, and Tailwind CSS. Keen to develop high-performance, multilingual, and user-friendly web applications, with experience in e-commerce. Experienced in solving complex frontend problems and learning through hands-on projects and certifications. Seeking a role in a dynamic environment where I can utilize my skills, collaborate with innovative teams, and grow as a developer.

Education

Frontend Diploma / Software Engineering Future Academy *[June 2023- December 2023]*
Bachelor of Science / Alexandria University *[September 2013 - March 2020]*

Experience

Junior Web Developer
SCIZERS IOT PVT LTD *[January 2025 - present]*
